Sales by segments of customers

✓ Medical/Welfare grew.

R&D investment

■ Basic policy of R&D investment

We continue to invest approximately 10% of sales in R&D investment every fiscal year, aiming to further enhance the functionality of our products.

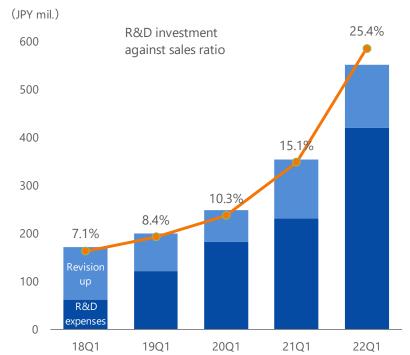

■ Policy of this FY

We continue to invest more than 10% sales in order to participate in the market, "CASE", being a mainstream of the automotive market that we is our target.

In 2035, sales of "CASE" is forecasted to grow 2.9 times as much as that of 2020. (Fuji Keizai Group)

Shareholder Return

eSOL will remunerate shareholders in accordance with the following policies:

Dividend policy

Stable financial position Stable dividend payout ratio in accordance with performance Investing internal reserve in enhancing corporate value (R&D, human development, etc.)

Dividend amount

The projection of profit for this FY is lower than the prior, reflecting the growing R&D investment for future profits; therefore, we have decided to maintain the same dividend as the prior.

| | FY 2019 | FY 2020 | FY 2021 | FY 2022 |
|-----------------------------|-----------|-----------|-----------|-----------|
